

BSc (Hons) Leisure & Tourism Management

Part-time Top-up Degree Course, Awarded by

Edge Hill University, UK

A Public University

Degree Certificate Same as in the UK

Leisure and Tourism is one of the fastest growing economic sectors in the world today. There is a growing need for professionals in this industry which includes hospitality. To meet the rapid growth and development of this sector and the high demand for senior management personnel in this fast growing industry, Edge Hill University, UK, is now promoting a new degree programme in Singapore - BSc (Hons) Leisure & Tourism Management in FY Institute of Technology (Singapore).

This degree programme aims to equip leisure, tourism and hospitality personnel with the necessary management knowledge and skills to manage problems and challenges in the industry better. Students will learn various aspects of strategy, marketing, human resources, finance, operations, control, service in the fields of Integrated Resorts, Travel Agencies, Hotels, big events as conferences and exhibitions management and other related professional areas.

Edge Hill University has a history of over 125 years and is one of the public universities in the UK, which has over 23,500 undergraduates and post-graduate students. In November 2010, Edge Hill University was ranked 2nd in the UK in Times Higher Education for “Best British University of the year”, especially in Graduate Employment, Personal Development, Courses and Lecturers, Value for Money. And it is also considered as one of the Britain’s fastest growing universities. The programmes offered by Edge Hill University, such as Business Management, Accounting Management, Computing Management, are all ranked among UK's most popular top ten courses.

FY Institute of Technology (Singapore) is Edge Hill University’s first overseas partner in Asia and now has over 40 graduates who have granted the bachelor degree by Edge Hill University. One of those graduates won the first class degree with honours, and over thirty of those got the second class degree with honours. Edge Hill University’s bachelor

degree certificate is acknowledged by the governments of the UK, Singapore and China. Among the graduates, one has successfully enrolled in Nanyang Technological University in Singapore to pursue her master's degree in August 2011. Another graduate is now pursuing his master degree studies at Edge Hill University in the UK and also obtained the university's fee reduction bursary.
